This form (or letter with similar information) must be submitted to the Soil Erosion Unit with **ORIGINAL** signatures. The form may be mailed to the Orion Township Soil Erosion Unit, 2525 Joslyn Rd., Lake Orion, MI 48360. A copy of the revised Soil Erosion Permit and the soil erosion plan for the project will be mailed to the new landowner(s).

Be advised that this property may have authorization to discharge storm water under the National Pollutant Discharge Elimination System (NPDES) from the Michigan Department of Environmental Quality (MDEQ). If NPDES authorization was granted, a written request to have the authorization changed to reflect new ownership must be made to the MDEQ at the time the property is transferred. Requested must be submitted to the Orion Township Soil Erosion Unit, 2525 Joslyn Rd., Lake Orion MI 48360. If DPDES authorization to discharge storm water from said property has not been issued, notification to the MDEQ is not necessary.

DISCLAIMER: This document fulfills the notification requirement for transferring an SESC permit into a new landowner's name pursuant to Part 91 and the reauthorization, if appropriate, to discharge storm water from the site. It does not address the notification or permit requirements that may exist for any other federal, state, or local permits that may be associated with the property.
