

From the Treasurer...

The Treasurer's office is very busy collecting 2018 Winter taxes as well as late Summer and Village taxes. We want to make sure everyone knows that the last day to pay Winter taxes without penalty is Thursday, February 14, 2019. Starting February 15, 2019, a 3% late penalty will be added to any unpaid Summer or Winter tax bill balance. Postmarks are no longer accepted, so if you are not sure if your mailed payment will get to us by February 14, 2019, please make sure to bring it into the Treasurer's office in person, or feel free to drop it off in one of the two drop boxes outside the front entrance to Township Hall. Anything in the drop boxes by 8:30 am on February 15, 2019 will be counted on time. You may also pay online at www.bsaonline.gov with a credit or debit card with a 3% service fee or by e-check for a \$3.00 fee.

The Treasurer's office is open 8:30 am to 4:30 pm Monday through Friday. The very last day the office can accept any tax payments is Thursday, February 28, 2019. All unpaid bills will be turned over to the Oakland County Treasurer's office on March 1, 2019, and all payments will then need to be paid to them.
