Political Signage FAQs

- ☆ No permit required.
- ☆ Signs must be on private property.
* Behind safety path or 10' off roadway.
- ☆ Signs on residential property may be up to 6 square feet.
- ☆ Signs on commercial property may be up to 16 square feet.

Signs in violation will be removed. However we would prefer to talk to you before removing the violating signage so that you have a chance to correct them first. Please take a moment to fill out the voluntary information below and turn it in to the Building Dept. Thank you.
