## Proclamation

### America Recycles Day 2013

*By the Supervisor of the Charter Township of Orion*

**Whereas**, Orion Township recognizes the importance of protecting and preserving our natural resources and adopting conscientious habits that will improve our daily lives and bring about a cleaner, safer, and more sustainable environment; and

**Whereas**, although there has been a significant increase in the amount of recycling in Orion Township to date, we must also continue to focus on other initiatives such as waste reduction, composting, the reuse of products and materials, and purchasing recycled products; and

**Whereas**, by encouraging businesses, state agencies, nonprofit organizations, schools and individuals to celebrate America Recycles Day 2013, we can further promote recycling as an environmentally efficient and economically smart habit; and

**Whereas**, state and community leaders can help encourage recycling by informing citizens about local recycling options, they can also help foster greater awareness of the need to expand collections programs by promoting the benefits of recycling investments for businesses; and

**Whereas**, it is important that all Orion Township citizens become involved in recycling activities and learn more about the many recycled and recyclable products available to them as consumers; it is also fitting for Orion Township to celebrate America Recycles Day 2013 and take action by educating citizens about the recycling options available in our community;

**Now, Therefore**, I, Chris Barnett, Supervisor of the Charter Township of Orion, do hereby proclaim November 15, 2013 as **America Recycles Day** in Orion Township.
