Proclamation Connor Stalions

By the Supervisor of the Charter Township of Orion

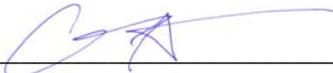

Whereas, The United States Naval Academy, is an undergraduate college of the naval service, which strives to accomplish its mission to develop midshipmen “morally, mentally, and physically.”

Whereas, as future officers in the Navy or Marine Corps, midshipmen will soon be responsible for the priceless lives of young Sailors and Marines and multi-million dollar equipment.

Whereas, Connor Stalions is an Orion Township resident, student, and recognized leader among his teachers and peers, who exhibits all the core qualities required by the Naval Academy of integrity, honor, and mutual respect.

Whereas, Congressman Mike Rogers and his staff have also recognized Connor for his academic achievement, leadership, and high level of motivation and thereby nominated Connor for acceptance into the Naval Academy.

Now Therefore, I, Chris Barnett, Supervisor of the Charter Township of Orion, join with Congressman Mike Rogers, and hereby honor and recognize Connor Stalions, on this day December 17, 2012, for his successful nomination to the United States Naval Academy, and join all of Orion Township in thanking him in advance for his service and wish him all the best as he endeavors to serve our great Nation.

Chris Barnett, Supervisor
Charter Township of Orion
